The Australian Henley Regatta Committee will, in preparing the Program,

- 1) perform the Draw following the close of entries on Monday 17th February, 2020.
- 2) if necessary, restrict entries per event to 8 boats (may be necessary to race in Divisions)
- 3) seed each Event using the Order of Entry, season results to date or time trials on race day as indicated above
- 4) accept multiple entries from Clubs/Schools per Event as space permits
- 5) not allow entries by the same individual or crew in more than one Event per session.
- 6) encourage doubling up in Events on a morning session/afternoon session basis
